Major(s) and Special Advising

My top two choices are (refer to list):

First Choice: _____ Second Choice: _____

I am undecided at this time

Optional: I also wish to apply for the following Special Advising Programs (you must also specify your first and second choice of majors)

- Three-Year Degree: I am in the top 10% of my class and wish to apply for the three-year accelerated program.
(not available to students applying to Engineering Majors)
- B.S./M.S. Chemistry Five-Year Program
- B.S./Master of Business Administration (M.B.A.) Five-Year Program
- Pre-Medical/Dental/Veterinary Advising
- Pre-Law Advising
- *Pre-Physical Therapy *(An option for students that want to enter our Physical Therapy Doctoral Program)*

* In addition to the Common Application Essay, students applying for Pre-Physical Therapy Advising must submit a separate 250-500 word essay that demonstrates social or health-related awareness appropriate for an individual interested in entering a health profession. Reflection on exposure to or personal experiences with a rehabilitation profession is desirable. This essay is extremely important in the decision of whether to accept a student into the Pre-PT Advising Program. Applicants for Pre-Physical Therapy Advising that do not submit the essay will not be reviewed for the Pre-PT Advising Program.
